

Dear Patient:

We would like to take this opportunity to thank you for choosing Woodholme Gastroenterology Associates and to welcome you to our practice.

We want you to know about our office procedures and what to expect at the time of your visit. To assure the best use of your time, medical and prescription history forms are located on the website for you to complete before you come to the office.

It is very important to bring copies of your most recent blood work and any X-ray reports that may be pertinent for your visit. This might include upper GI testing, barium enema, CAT scan, MRI or ultrasound. We ask that you bring these with you so the physician can review your medical history as part of your consultation. We also need them so we do not order repeat tests.

Please also bring your

- Insurance card
- Referral if required
- Co-payment

Additional helpful information including directions and informative website links are available on our website. Thank you for choosing Woodholme GI for your medical care.
